

For people with a passion for photography

Nikon N8008
\$50
REBATE
EXTENDED
THROUGH
AUG. 31, 1990

and a penchant for value.

If your heart beats faster when you see a great picture, you're ready for the Nikon N8008.

It can help any serious photographer make a passionate statement through photography. Or express their personal vision.

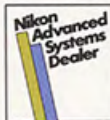

And now, due to popular demand, we've extended the N8008 \$50 Rebate. So shooting inspired pictures is not only within your capability, it's more within your means.

From April 6 through August 31, 1990, when you purchase a new Nikon N8008 Ultra High Speed Performance SLR (camera body) only from a *Nikon Advanced Systems Dealer* (NAS), you can get \$50 back from Nikon Inc.

Which is even more substantial when you consider all that the N8008 gives you. Like exclusive Nikon Matrix Metering, Matrix Balanced Fill-Flash operation, flash speeds up to 1/250 sec. and the

action-stopping top speed of 1/8000 sec. Plus, Nikon's famous time-proven F lens mount for ultimate versatility.

So visit your local authorized *Nikon Advanced Systems Dealer* and get all the details about the N8008 \$50 Rebate. It may be the best chance you get to add more passion to your life, without paying the price.
